Spring International Lough Melvin.

This year's Spring International was held on 10th June at the end of the week which saw two large Atlantic storms influence conditions.

Match day started in reasonable conditions but by the end of the match the weather deteriorated as the second of these storms approached to the North of the region. Despite the Weather all four countries met the challenge and produced fish with Wales taking Bronze.

Captain Tudor Owen and his team fished conditions that we do not experience here in Wales and must be commended for their dogged persistence fishing in those conditions. Many thanks to all for an enjoyable week and to Ireland for winning the Gold.

1st	Ireland	36 fish
2nd	Scotland	31 Fish
3rd	Wales	21 fish
4 th	England	18 fish

BEST BASKET Denis Goulding IRELAND 7 fish 190.3 cms 332 points
